## KICKING UP SUPPORT FOR OUR SCHOOL

Becoming a member of the PTA demonstrates your commitment to enhancing education and student programs. As a national non-profit organization, a strong membership base strengthens our influence on state and federal legislation. It also empowers us to offer more opportunities that enrich our student learning and social experiences. Your annual membership dues directly support school, local, and federal funding that impacts the quality of your child's education. Join us and make a difference in our school community!

Membership is \$20 a person.

Anyone can be a member! Parents, grand parents, other family and friends.

We encourage TWO family members/friends to join PTA to make a pawsitive impact.

Becoming a member does not require you to volunteer.
