

PORTOLA SPRINGS ELEMENTARY PARENT TEACHER ASSOCIATION

2023-2024 Corporate Sponsorship Form

The Portola Springs Parent Teacher Association (PTA) is a registered non-profit organization dedicated to enhancing the academic and social experiences of over 950 students at Portola Springs Elementary School in Irvine. Each year, PTA provides essential support and funding for educational initiatives, field trips, school supplies, and community-building events such as the Back to School Social, Family Ice Skate Night, Trunk or Treat, and the Spring Event. We take immense pride in our work, and deeply appreciate the generous contributions from our local community sponsors, which enable us to fund these programs and events.

We offer a variety of Sponsorship Packages for your consideration, each outlining the benefits we can offer your business in return for your support. If your company is interested in assisting our school, please review the available Sponsorship Packages for the 2023/24 school year and indicate your preferred choice. Return this form to Shona Whipple at volunteers@portolaspringspta.org no later than November 5, 2023 to ensure you receive all the benefits outline below.

Your partnership with us will make a significant difference in the lives of our students, and we look forward to the opportunity to partner with your business for the betterment of our school community.
